

IT Design & Web Media Apprenticeship

✓ Ideal if

You want a career in this exciting and dynamic industry. This apprenticeship has been designed with industry professionals to develop the skills you'll need to work within the design and web media industry.

☰ You'll need

two GCSEs at grade C or 4, including English, mathematics or IT and be employed in a relevant role.

🎓 You'll learn

The technical skills needed to work within the design and web media industry. You will choose units to suit your job role from subjects such as desktop publishing, web design, imaging software, design software, Microsoft Office software.

❓ Expect

To develop skills, qualifications and experience using a variety of industry specific applications.

♥ You'll love

Using the skills you have learnt and applying them in practice to your job.

🚀 You'll go on to

A career within the IT industry, or further study at Level 3, either full-time or as an apprentice.
